

Scoring

Frame Game - The game is played until each team has pitched **13 complete frames**. Every match is broken down into frames of play. Players alternate pitching until all 8 bags have been pitched from their end.

The winning team is the team scoring the **most cumulative points after 13 frames**. (52 of 52 Cornholes is a perfect game, a total of 156 points)

Cornholes - A bag thrown through the hole in the board. A bag can be pushed in by other bags from either player.

Cornhole = 3 points.

Woody or Boarder - A bag that is not in-the-hole but lands with any portion resting on the board.

Woody or Boarder = 1 point.

If the bag touches the ground before hitting the board or lands hanging off the board while also touching the ground it is called a "Dirty." Any "Dirty" bags must be removed from play before the next bag is tossed.

Stanker or Foul Bag - Any toss that is not a Cornhole or a Woody.

Stanker or Foul Bag = 0 points.

Bags knocked into foul territory by a foul bag should be returned as closely as possible to their original position. This also applies to bags that are knocked into the hole by a foul bag.

Every point counts for each team in frame play! NO POINT CANCELLATIONS!

One player will throw 6 frames and one player will throw 7 frames.
